

# LET ONE GIFT DO THE WORK OF TWO

Many of us want to remember friends and relatives in a meaningful way-- one that emphasizes relationships rather than material goods, one that helps build in a time of far too much destruction.

A contribution of Pioneer Valley Habitat for Humanity will help us construct a home for a family in need *and* honor the ones you wish to remember. We will send a card to the people you designate, noting the materials you have provided by your gift:

- Three studs (\$25)
- Four Sheets of Sheetrock (\$50)
- Five Gallons of Paint (\$80)
- A Kitchen Cabinet (\$200)
- Fifty Square Feet of Vinyl Flooring (\$250)
